

**'Assessment of Housing Need
in the Hastings and Rother Housing Market Area'**

Addendum to Footnote on Page 14

1. This Addendum Note corrects the footnote referred to in paragraph 50 in the '*Assessment of Housing Need in the Hastings and Rother Housing Market Area*' Background Paper, prepared jointly by Rother District Council and Hastings Borough Council. It is provided on behalf of both Councils on the basis of advice from East Sussex County Council.
2. The table in paragraph 50 sets out forecast labour demand in 2006, 2011 and 2028, based on work undertaken for the County Council to produce a Local Economic Forecasting Model (LEFM). The linking footnote has been copied across from the original LEFM tables and is a cross-reference to this earlier (2008) Local Economic Forecasting Model (LEFM) for the County Council.
3. At the time of the Assessment, the County Council supplied the spreadsheet from an updated LEFM produced in 2010 and these, being the most up to date, were as quoted in the table in the Assessment. These are attached.
4. Therefore, the footnote should read:

⁵ *Taken from an updated Local Economic Forecasting Model produced in 2010.*
