

## Surrey and Sussex Area Team leadership team biographies

### **Amanda Fadero, Director**

Amanda Fadero has almost 35 years' experience in the NHS including 25 years as a clinical and professional manager. After qualifying as a nurse, Amanda specialised in paediatrics. After working in London, she moved to Sussex in 1992 and held a variety of executive posts in Brighton and Hove PCT, becoming Chief Executive in 2010 and then Chief Executive of the four PCTs when they clustered in 2011.

### **Dr Andrew Foulkes, Medical Director**

Andrew is a GP in Yapton and Middleton where he has been a partner since 1987. He came to general practice after postgraduate training in surgery and obstetrics and gynaecology. His clinical interests include minor surgery and male health.

Andrew was Medical Director for NHS Sussex before joining the AT.

### **Julia Dutchman-Bailey, Nurse Director**

Julia is a registered nurse with extensive frontline experience in NHS acute trusts including six years as a board level Nursing Director. Since then she has worked in system-wide leadership roles, most recently in the Sussex PCTs.

She has a passion for improving patient care and experience and is committed to creating NHS services that provide care and compassion and a zero tolerance of avoidable harm.

### **Marie Farrell, Finance Director**

Marie is a qualified accountant with over 20 years' experience in commerce and the public sector. For the last eight years she has worked at board level as a commissioner in the NHS, as Director of Finance and Commercial Delivery at Bromley PCT and Cluster Finance Director in South East London.

Marie has a strong public sector ethos and is committed to the finance function being an enabler in delivering high quality healthcare to our residents.

### **Pennie Ford, Director of Operations and Delivery**

Pennie has over 20 years of experience in the NHS, initially joining in Norwich and spending most of her career in north west and south west London. She has held a variety of senior management roles covering commissioning, planning, performance, quality and community services management.

Most recently Pennie was Programme Director managing the NHS transition for South West London.

### **Sarah Creamer, Director of Commissioning**

Sarah has more than 20 years of experience in the NHS, first joining the Family Health Authority in North Wales after university. Since then she has held director posts in both primary care and strategy, working in North Wales, Kent and West Sussex.

Before joining the AT, Sarah was Director of Performance at NHS Sussex.
