1. Councillors’ Allowances

1. The Local Government Act 2000 introduced significant changes to the way councils worked. In accordance with the new law Hastings Council introduced a Cabinet system and established Overview and Scrutiny Committee to call the Cabinet to account and scrutinise its decision and policies.

2. The Government recognised that there should be a new system of allowances intended to reward Councillors for their work and time whilst at the same recognising that they become Councillors to give public service.

3. The law requires Councils to establish and maintain an independent remuneration panel to review and provide advice on councillors’ allowances. It was recognised that the new political management arrangements created new roles and responsibilities for councillors and that there should be appropriate allowances to support these.

4. The scheme of allowances has been adopted following consideration of the first report of the Council’s independent panel. All councillors receive a basic allowance which is intended to provide some recompense for the time spent on council duties. There are in addition to this Special Responsibility Allowances which are paid to Councillors who have some special role, e.g. the Leader of the Council, Deputy Leader, Opposition Group Leader, Chair of Committees etc.

5. The level of allowances is updated annually in line with the rise in pay to officers. Other aspects of the scheme of allowances will be kept under review by the independent panel which reports to Full Council as necessary.
