[Start of Request for Information](#)

1. The income received, in pounds sterling, from selling recycling products – paper, plastics etc – over the last five years. Please could this figure be broken down by year.

2006-07	£135,438
2007-08	£93,555
2008-09	£58,854
2009-10	£54,458
2010-11	£45,726

2. Details of where the income from selling recycling products is redistributed in the council's budget.

None of the income is redistributed throughout the budgets, it all remains within the waste cost centres as part of the revenue bottom line.

3. Details of who the council sells its recycling products to. A list of companies and the recycling products the buy will suffice.
