[Start of Request for Information](#)

I am writing to request formally, under the provisions of the Freedom of Information Act 2000/ Environmental Information Regulations 2004 as appropriate, for details of neighboring/ nearby householders noise complaints directly arising as a result of the installation of small scale wind turbines or air source heat pumps falling within the statutory definition of microgeneration as defined in the Climate Change and sustainable Energy Act 2006 along with complaints about the noise from air conditioning units received within the curtilage of a dwelling house your Council has received between 1st January 2008 and 1st October 2011. Please also state the maximum of any sound measurements taken during any investigated case and whether the complaint was upheld.

*We have not received any noise complaints pertaining to these sources.*

Please also include the number of cases which are currently being investigated, and therefore protected by the data protection act. *N/A*
