

HASTINGS BOROUGH COUNCIL COUNTRY PARK CAR PARK SEASON TICKETS – TERMS OF ISSUE

Season Tickets are issued in compliance with Civil Parking Law and the British Parking Association Code of Practice, and are subject to the terms below. A person who at any time acts in contravention of, or fails to comply with the following terms, may have their Season Ticket cancelled.

1. Hastings Borough Council reserves the right to refuse to issue a Season Ticket, cancel a Season Ticket or refuse the grant the use of a Season Ticket for a second vehicle.
2. Season Tickets may only be purchased in advance if the renewed ticket runs on from the date of expiry of an existing ticket without a break in the periods covered.
3. Season Tickets are issued in respect of nominated vehicles only. If a second vehicle is to be used during the currency of the ticket, this is to be declared and noted at the time of purchase. In these circumstances, only one vehicle can be used in conjunction with any one season ticket at any one time. If a temporary/courtesy vehicle is in use, Parking Services must be advised immediately. Non-compliance with the aforementioned may result in the issue of a Parking Charge Notice. Any faked, defaced, photocopied or altered Season Tickets will be rendered invalid.
4. Valid Season Tickets showing the vehicle registration number(s) must be displayed in the front windscreen. All details printed on the season ticket must be clearly visible from outside the vehicle. Failure to display in this manner may result in a Parking Charge Notice being made each time the vehicle is left in the parking place. Only the original Season Ticket bearing the genuine, original hologram must be displayed.
5. Possession of a Country Park car park season ticket enables the holder to park a vehicle at any of the Hastings Country Park public car parks provided that all the terms of issue are complied with. **They are not valid for any of the Town Centre or Seafront car parks in Hastings.**
6. Vehicles are to be left in marked bays where available and must not be parked so as to cause an obstruction.
7. Neither Hastings Borough Council nor its employees shall be responsible for any loss or damage to a vehicle or its contents caused by a third party, unless as a foreseeable consequence of a negligent act or omission of the Council or its employees.
8. Possession of a car park Season Ticket does not guarantee a parking space.
9. There is no refund for the surrender of Season tickets.
10. The season ticket is issued in the registration number(s) of the vehicle(s) and is only available for use on those vehicle(s). In the event of a change of vehicle, a replacement permit for the remainder of the period will be issued free of charge. If a further change is requested before expiry of the permit, we will charge an admin fee of £5.00.
