**HASTINGS BOROUGH COUNCIL  
GRAND PARADE CAR PARK CAR PARKING PERMITS – TERMS OF ISSUE**

**Permits are issued subject to Orders made under the Road Traffic Regulation Act 1984 and are subject to the terms below. A person who at any time acts in contravention of, or fails to comply with the following terms, may have their Permit cancelled.**

1. Hastings Borough Council reserves the right to refuse to issue a Permit, cancel a Permit or refuse to grant the use of a Permit for a second vehicle.
2. Permits may only be purchased in advance if the new permit runs on from the date of expiry of an existing permit without a break in the periods covered.
3. Permits are issued in respect of nominated vehicles only. If a second vehicle is to be used during the currency of the permit, this is to be declared and noted at the time of purchase. In these circumstances, only one vehicle can be used in conjunction with any one permit at any one time. A Penalty Charge Notice may be issued for non-compliance with this rule. Any faked, defaced, photocopied or altered Season Tickets will be rendered invalid.
4. Parking permits showing the bay number must be displayed in the front windscreen of the vehicle. All details printed on the permits must be clearly visible from outside the vehicle. Failure to display in this manner may result in a Penalty Charge being made each time the vehicle is left in the parking place.
5. Only the original Permit bearing the genuine, original hologram must be displayed.
6. Possession of a Grand Parade car park permit enables the holder to park a vehicle in the Grand Parade underground car park only. It is not valid for any other car park or 'on street' parking bay. The permit will show the number of the bay allocated to that vehicle.
7. Vehicles are to be left in marked bays only and must not be parked so as to cause an obstruction. If your vehicle is too large to fit comfortably within the bay markings or extends into the area where vehicles have to pass, it may not be possible to issue a permit for that vehicle unless another, more suitable bay can be found.
8. Neither Hastings Borough Council nor its employees shall be responsible for any loss or damage to a vehicle or its contents caused by a third party, unless as a foreseeable consequence of a negligent act or omission of the Council or its employees.
9. There is no refund for the surrender of car park permits.
10. The permit is issued in the registration number(s) of the vehicle(s) and is only available for use on that vehicle. In the event of a change of vehicle, a replacement permit for the remainder of the period will be issued free of charge. If a further change is requested before expiry of the permit an administration fee of £5.00 will be charged to change the permit.
11. The cost of a replacement magnetic entry card is £15.00.
12. It is recommended that the magnetic entry card is not stored near to a mobile phone as this may deactivate it.
13. The car park is for vehicles only. No personal items, boxes, batteries etc may be stored in the bay and will be removed if found. Please help to keep the car park clean and clutter-free.
