

**Museums Committee - 1st March 2010**  
**Statues and Memorials**

**Appendix A – Definitive list by subject:**

Type: **Statue**

Reference:	Name:	Location:	Date of origin	Condition
S1	Harold and Edith	Grosvenor Gardens	1875	Very poor, (photograph provided at the meeting)
S2	Lion and Unicorn	Robertson Terrace	Early 1800's	Very poor – (responsibility of Albany Court Residents Association)
S3	Queen Victoria	Warrior Square	1903	Good
S4	Albert	Stored in the Greenhouse – Alexandra Park	1864	Carving is badly weathered especially on its right flank. It is also dirty and stained; currently covered in sheeting to protect. (photograph provided at the meeting)
S5	Queen Anne	Holmhurst St. Mary	1712	Originally from the front of St. Pauls Cathedral the statue was damaged and discarded. Brought to Hastings in 1893 and restored at that time. Ownership not clear. Now in poor condition and suggested for further restoration and re-location through section 106 by the developer of the Holmhurst St. Mary housing scheme.

Type: **Monument**

Reference:	Name:	Location:	Date of origin	Condition
M1	Waldegrave Fountain	Robertson Street	1861	Cleaned and restored circa 1995
M2	Burton Memorial Tomb	West Hill Road	1837	Restored 1995 and recently repaired 2009. (Photograph provided at the meeting)
M3	Costello Memorial Fountain	Marina	1908	Good/ part weathered; some restoration in 1997
M4	Burton Memorial Fountain	Gloucester Lodge	1880	The monument is situated in the garden of Gloucester Lodge and is currently missing the bronze cameo of James Burton, this is in the possession of the owner. The remainder is in fair condition and has had the surrounding vegetation cut back to expose the memorial, which can now be viewed from St. Leonards Gardens.

**Museums Committee - 1st March 2010**  
**Statues and Memorials**

Type: **War Memorial**

Reference:	Name:	Location:	Date of origin	Condition
