Dear Respondent

Hastings Borough Council Planning Strategy – Resumed Hearing

The Inspector has been sent the Responses to the Hastings Council's proposed Main Modifications Consultation which amends its submitted Planning Strategy Local Plan. The Inspector has agreed to hold a resumed Hearing session on 10 September 2013 in order to hear from those objecting to the modifications and I attach the Agenda for this session.

The Inspector has asked me to point out that the main purpose of the Hearing will be to discuss the drafting of the Main Modifications and he will keep the discussion focused on them. It will not be an opportunity to re-open the debate on the various matters discussed at some length during the Hearings held in February 2013.

If you have been included on the Agenda as someone who would wish to address the Inspector on a particular topic and you no longer wish to appear, I would ask that you please let me know. Similarly if you indicated that you did not wish to appear and would now wish to do so then again please let me know by return if possible. If you are a new Respondent to the Examination then I would like to take this opportunity to introduce myself as the Programme Officer responsible for assisting the Inspector with all aspects of the Examination administration.

If you have received this letter by post and you have an email address, then I should be grateful if you would let me have the details to assist in communications. If you have any questions on the procedure of the Examination then please do not hesitate to contact me. **Please do not submit any further representations unless the Inspector requests them.**

Yours sincerely

Lynette
