Lynette,  
thank you for your e mail . On behalf of the Council may I thank the Inspector for his helpful suggested alternative wording for Policy HN6 ( attached here for the avoidance of doubt ) .

I have now had opportunity to consult with the Council's Conservation Officers and am pleased to confirm that the Council would be happy to substitute this wording , in its entirety , for Policy HN6 as currently drafted . We would consider that this can be dealt with as a minor modification .

Sincerely ,

David
