16 September 2014

Dear Representor

Hastings Borough Council – Development Management Plan Examination

I understand from the information provided to me by the Hastings Borough Council that you/your organisation submitted representations on the Council's Development Management Plan Pre-Submission Consultations. I would like to take this opportunity to introduce myself as the Programme Officer responsible for assisting the Inspector with all aspects of the Examination administration.

As you may know, Mr Richard Hollox, BA(Hons), BSc(Econ), MPhil, ARICS, FRTP, FRICS of the Planning Inspectorate has been appointed to conduct the Examination.

The Inspector will be holding a Pre-Examination Hearing Meeting (PHM) and this is scheduled to take place **at 2pm on 7 October 2014 at Horntye Park Sports Complex, Bohemia Road, Hastings, E. Sussex, TN34 1EX**. I enclose the Agenda for this meeting together with the Inspector's Guidance Note, and draft Matters, Issues and Questions and also a draft Programme of the Hearings for your information.

The Examination Hearings are scheduled to start on **18 November 2014** and currently expected to last for 9 days. If you have previously indicated that you wish to take part in the Examination Hearings by exercising your 'right to be heard' then I should be grateful if you would **please confirm** whether or not you still wish to appear at the Hearings. I will then send the final MIQs and Programme document(s) to you directly. They will also be placed on the HBC Examination website along with all the other relevant documents for the information of all interested parties:

http://www.hastings.gov.uk/environment_planning/planning/localplan/dm_plan_siteallocations/dmplan_submission/

If you have any queries concerning any aspect of the Examination, please do not hesitate to contact me. If you received a copy of this information by post, but have an email address which I could use in the future please let me to assist communications.

Yours sincerely

Lynette
Programme Officer
