Hastings Development Management Plan - Inspector's Preliminary Findings on HBC Development Management Plan

As part of the examination of the Hastings Development Management Plan the public Hearing sessions took place between Tuesday 18 November 2014 and Friday 16 January 2015. Following this the independent Planning Inspector appointed to examine the Development Management Plan has now issued his Preliminary Findings which include his proposed 'Main Modifications' - these are changes that he considers are needed to make the Plan sound and enable it to proceed towards adoption.
