

6.1

I DON'T BELIEVE ACROSS THE COUNTY ENOUGH HAS BEEN DONE IN JOINING UP THE OVERALL PLANS, THE WATER SUPPLY AND waste WATER HAS NOT BEEN ADDRESSED TO THE DEGREE TO GUARANTEE THE RESULT.

6.2

The Infrastructure is not there to cope with the extra houses,

6.3.

Park and ride is a possibility, but it can't work for everyone, a metro line should be considered.

6.4.

We are now at a time when there could be power cuts, we need to look into this before development takes place within the plan.

6.5 Flooding will be an issue with all the planning in both Hastings and Rother. Waste water is also not being addressed to manage the plan.

6.6

The council should answer this one/ will they on the day?

6.7.

Do we have a figure on the infrastructure costing's, and the capital from the infrastructure levy that starts in April 2015?
