Dear [REDACTED]

I will undertake to get the additional details for you as soon as possible relating to the conditions.

Unfortunately I will have to obtain fee quotes from specialist consultants to carry out the additional work which might take some time.

The items relating to the reservoir works (4.27 and 4.28) wasn't mention by [REDACTED] so was missed in the application. Also the Ecology Consultancy who carried out the report pointed out to me that this was an optional suggestion and not a mandatory requirement.

Regards
